

WASHINGTON, D.C. - Congressman John W. Olver (D-1st District) announced that the U.S. Department of Housing and Urban Development (HUD) has awarded \$2.6 million in federal funding to Hubbardston Elderly Housing, Inc.

"I am pleased that HUD has granted this federal funding to Hubbardston Elderly Housing, which has been a long-time partner of the U.S. Department of Housing and Urban Development," said Congressman Olver.

Karen A. Koller, President and CEO of RCAP Solutions in Gardner, said, "We are so thrilled to bring this funding to Hubbardston Elderly Housing, Inc. through its Assisted Living Conversion Program."

HUD has awarded the funding to Hubbardston Elderly Housing, Inc. through its Assisted Living Conversion Program, which allows HUD to convert existing apartment units into assisted care facilities and 12-hour care facilities.

Hubbardston Elderly Housing plans to convert seven apartment units into assisted care facilities and 12-hour care facilities. The funding will be used to cover the costs of the conversion process.

Hubbardston Elderly Housing was established in 1983 as independent housing for low-income elders in Hubbardston, Massachusetts. The organization has a long history of providing quality care and housing for its residents.
